

LEARN TO TELEMARSK SKI FREE SATURDAYS

In Morgedal every Saturday throughout the 2010 season we are offering 2 free day lessons with our excellent instructors. All you pay for is your lift pass (150kr) and ski hire (180kr) if you need skis.

PROGRAMME FOR THE DAY:

The lesson starts at 10.30 and will finish at 15.00 with a break from 12.00 – 13.00 for lunch and a chance to rest those tired thighs. Meeting point is at the ski lift hut on the hotel slope in Morgedal. If you need to hire skis then arrive by 10.00 to get yourself set up before the lesson.

This is an awesome opportunity to learn the graceful telemark turn in the valley where the sport originates.
