

Pilgrim skier packages - from 500kr

If you are planning a skiers pilgrimage to Morgedal and are looking for a truly unique ski experience then this activity is for you!

Your day starts with some ski history where we set the scene with Morgedal in focus. Then you learn to make your own bindings and get yourself fitted up to a pair of replica Sondre Norheim originals (world's first carving skis. From here is up to the historic northern hills of Morgedal and the chance to test out your skills using this original gear. Ski in the ghost trails of the legends and experience ski pioneering on some of the world's first known slalom slopes We can tailor make these packages for you but as a guideline we offer both half day and full day options...

HALF DAY (4 HOURS) 500KR

Package includes: guiding through the ski museum, fitting your own birch root bindings to your boots, a trip to the birthplace of Sondre Norheim and some ski testing on the famous hills of kleiv.

NOTES: Min group size is 2 - discounts for larger groups - bookings are essential

FULL DAY (7 HOURS +) 950KR

Package includes: guiding, ski making demo and ski fitting, scooter transport high into the Morgedal backcountry, lunch, extensive ski testing on original design skis and your own modern gear including an exciting ski back down to Morgedal - a fantastic day!

NOTES: Min group size is 2 / max group size 8 - not for novice skiers - bookings are essential
